

A travel membership that provides an **unlimited lifetime** supply of vacations, travels – dreams fulfilled... and for just pennies on the dollar!

**Vacations are the magic that spark imaginations and rekindle romances.** They bring with them a new world and a chance to create unforgettable memories. Vacations teach us what can't be taught in classrooms and allow us to explore and discover the world around us. They give us the opportunity to unwind and relax, and get away from everything. Whether as an escape from our everyday lives or simply as a way to treat ourselves to something special, the perfect reward for hard work is a vacation.

### So when was the last time you took a Vacation?

To better appreciate life and your surroundings, you need to step back and look at it from a different perspective – **take a break, relax and rejuvenate your body and spirit** – you, your family and your work will all appreciate your revitalization. It has been said 'A picture is like a thousand words', but there is no picture that will let you feel the waves lapping at your toes, or fresh powder snow in your face as you make the first run of the day, or experience the incredible majesty of the sun melting into the Gulf on Mallory Dock in Key West at the end of the day and the warmth of the sunset's after glow. So many things are just so much better experienced than observed.

## VACATION QUESTIONS & ANSWERS

By now, you have probably come up with some questions, as most of our customers have. Here are some of the most common ones. If we haven't answered yours, just give us a call we're always happy to explain the benefits of our packages.

**Q.** Are these vacations genuine? How can they do this?

**A.** Absolutely genuine. First, you have to understand how the Vacation & Travel Industry works. The price of a resort stay, cruise, or an airline ticket depends entirely upon projected capacities and vacancy rates. A resort rarely achieves 100% capacity, and empty rooms cost them money. Resorts will reduce the room rates and create special packages to attract guest to their resorts because people will always spend money on restaurants, bars, souvenir shops, and casinos. Resorts as well as marketing companies have been selling similar vacation packages for 25 years, generally selling them for much higher prices. Complimentary trips have long been a mainstay for travel agents. Today, many savvy travelers use promotional packages such as this for all their vacations, saving thousands each year. After all, who visits an empty hotel or resort?

**Q.** Are there expiration dates on the various offers?

**A.** The first two free vacation certificates that come with your package are good for one year. All the other free vacations are good for one year after the date you mail in the voucher to activate that particular vacation. The 20 travel membership cards that come with your Resort Vacation Package can be renewed as a group for only \$89.95 per year. This is less than \$5.00 per card with more to be added. Many regular cardholders who deal directly with the companies we represent pay from \$50 to \$199 a year to renew a single card. None of our clients takes 20 plus vacations with 5 cruises each year. By activating each vacation when you're ready, you can take every vacation at your leisure. And your 20 plus bonus vacation are still valid even if you choose not to renew the membership cards

*Continued on next page...*

**Q.** Are these associated with a Timeshare Presentation?

**A.** NO! This is not a timeshare program!

**Q.** Are the individual vacations and airline discount coupons transferable?

**A.** YES!! Rarely will you find Transferable as an option in the travel industry. But we've got you covered. Most families simply could not take advantage of all of these great vacations, so why not pick the ones you want the most and then share the rest with family and friends. The membership cards (issued in your name) are not transferable.

**Q.** How far in advance must we make our reservations?

**A.** Plan ahead as you would for any major vacation choosing several preferred time periods. Through your club membership, you will also have access to "shorter notice" trips at huge discounts for cruises, vacations, and condos worldwide that are not sold out.

**Q.** Are there restrictions on when we can travel?

**A.** Generally speaking, the package vacations will not be available during the heaviest peak season or major holidays. Most providers will ask you to submit three choices as to when you would like to travel-and nearly always accommodate. With so many available destinations, you should be able to travel almost anytime you wish.

**Q.** With such great bargains, can I resell some of these individual vacations?

**A.** No. These are promotional vacations and not to be individually resold. But you can give away some of the trips to others! You might even "donate" a vacation to a non-profit organization or school raffle! If you own a business, reward your best employees! Or use some of the vacations as incentives to increase sales of big-ticket items.

**Q.** Will I need to go through a sales pitch to get a free cruise?

**A.** NO. No crazy sales pitch! All you need to do is submit a request for your preferred dates and you will be notified as to which one of your preferred dates is available.

**Q.** How do I know this isn't a scam and shut down tomorrow?

**A.** We only work with companies who are licensed and bonded, and most have been in business for the past 15 to 25 years and handle million of client calls yearly. We welcome anyone to check out each of the companies we represent and see for themselves. Their long track records, filled with excellent customer service and the utmost integrity, will impress even the greatest skeptic.

## Here Is What Happy Members Have To Say!

These packages are the most AMAZING of their kind in existence today! The value is incredible and always being increased but don't take our word for it; read what a few of our Product Customers from around the world have to say:

### Great airfare with the Travel Card:

*The Travel Card allowed me to book a flight during peak season (Christmas / New Year) from Detroit, MI to Zurich, Switzerland for as little as \$536.00 with KLM / N.W. The travel agencies quoted me from \$1490.00 - \$2500! This Rocks!!-P. King, BC, Canada*

### From a Client's trip to Hawaii (Kauai):

*"The Resort was fabulous, the view of the ocean and the surroundings were great. We went on a movie tour, we were at the gates of Jurassic Park, we were at the river and swung on the rope Harrison Ford swung on in the movie 'Indiana Jones' and in the field where they filmed 'Outbreak'. The people at the Resort were very friendly and helpful, THANK YOU!" - Rich & Denise*

*(As a Member Rich & Denise stayed at the Kauai Coast Resort for one week in a two bedroom suite at a luxury resort for only \$695. Non-Member price; \$2,900! A savings of \$2,205.00!)*

### From a Client's trip to Disney:

*"Will and I Love to use our 'bonus' vacations in our package!" - Will & Julie*

*(As a Member Will and Julie enjoyed a 5-day & 4-night stay in Orlando and 1 free ticket to Disney's Animal Kingdom for a Grand total of \$35.74! (No, that's not a typo) And a 2 night stay at the Palm Plaza Oceanfront Resort in Daytona Beach Florida for \$22.78! Normally \$378 plus taxes for two nights!)*

### A total of \$500 in savings on one trip!

*I was headed to St Lucia to sail for a week on a Windjammer. I saved over \$200 with the airfare and another \$300 on 6 nights in hotels before and after the sail. There's nothing on the planet that offers more variety and more value than my travel package.- K. McGee, FL*

### "I've saved 52% on car rentals!..."

*I needed a large vehicle and the company (Thrifty) was running a special on the Endeavor SUV... huge beautiful vehicle that easily carried all six of us. When I asked what their "special rate" was, I was informed that I could have the vehicle for only \$49.95 a day plus taxes, etc.*

*I gave them my Car Rental Card and the counter person said, "Sure, that will be \$23.95 a day ...a 52% discount! And, I knew the deal was solid when two guys came to the counter person beside me and rented the same vehicle as me ... and paid the \$49.95/day.*

*However, I have an even better story. When I was in Orlando, I also rented a car. I didn't need one as large, but ended up with a mid size, large enough for four people plus luggage. Well, when I showed my Car Rental Card, I was given the car for ONLY 13.72 a day! I thought that was good since the person in front of me in the rental car line had been given the same type car as me and was charged \$29.99 / day. - B. Biss, DE*

### From a Client's trip to Orlando, FL:

*"We just wanted to Thank You so much for all of your help with Coastal and our honeymoon plans! The Vacation was fantastic; we really didn't want to come home. We loved the Orange Lake Resort and recommend that to any of your future vacationers. When we compared our prices to other vacationers at Orange Lake, we were never happier! There is no doubt it was the greatest vacation I've ever been on and we look forward to doing it again. Thanks!!!" - Ric*

*(As a Member Ric and his new wife stayed at the Orange Lake Resort for one week in a two bedroom, two bath suite at a luxury resort for only \$345. Non-Member price; \$1,200! A savings of \$855.00!)*

### We stayed at a \$179 per/night room for ONLY \$20!

*Using one of our complimentary 3 day 2 night vacations in our Coastal Package our family enjoyed a wonderful trip to Charleston South Carolina. We stayed at the Hampton Inn in the Historic District, which was convenient to everything we wanted to see and do. Our room was \$179 per night. But we only paid \$10 per night for our 2 children - for a total of just \$20 for our entire stay. We had a wonderful time!!! - K. Black, S.C*

*(The complimentary vacations are typically for 2 adults, with just a small charge if your children join you.)*
